1. The listing of references in the specification is not a proper information disclosure statement. 37 CFR 1.98(b) requires a list of all patents, publications, or other information submitted for consideration by the Office, and MPEP § 609.04(a) states, "the list may not be incorporated into the specification but must be submitted in a separate paper." Therefore, unless the references have been cited by the examiner on form PTO-892, they have not been considered.

2. Claims 10-14 are rejected under 35 U.S.C. 102(b) as being anticipated by Ingram (5419432). Ingram teaches a garment bag having back, front top bottom and sides, a handle 110, and a sustemption member 70 to support hooks of hanger, a spine 46 for forming the back of the garment bag having a plurality of ribs with a pivoting connection between the ribs. It is noted that the term "plurality of ribs" requires only two ribs. It is noted that the upper portion only has a rib at portion 40 similar to that of the lower rib 46, and these two ribs are pivotally connected via the flexibility of the bag as shown in Fig. 1. Ingram also teaches the horizontal track (the track where portion 92 is fitted into in Fig. 6). It is noted when the bag is positioned horizontally, when loading contents, said track are horizontal as claimed.

Regarding claim 12, it is noted that it is an intended use to have the cloth packed in order of increasing size.

Regarding claim 13, note the clips, each comprise a base portion 92+86, a top jaw pivotally connected to the base, upper and lower jaws with protecting material 90 as claimed.

3. Claims 1-9 are allowed.

4. Claim 15-17 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tri M. Mai whose telephone number is (571)272-4541. The examiner can normally be reached on 7:30am-5:00pm.
